

Privacy Notice for Milcombe Parish Council

CCTV in the Children's Play Area

Why we use CCTV

Milcombe Parish Council operates CCTV in the children's play area to promote safety, deter anti-social behaviour, protect parish property, and assist with incident investigations.

What we record

Cameras cover the play area and surrounding paths. They record video only—no audio. No private areas are monitored.

Lawful basis

We process CCTV footage under the **public task** basis in UK GDPR, as part of our responsibility to maintain a safe public environment.

How long we keep footage

Footage is normally kept for **28–31 days** and then automatically deleted unless required for an active investigation.

Who can access footage

Access is restricted to authorised Council personnel. Footage may be shared with the police or safeguarding authorities where legally required. Individuals may request footage of themselves, subject to legal exemptions and redaction.

Your rights

You have rights over your personal data, including access and complaint rights. Requests should be made in writing to the Council.
